Join the Department for International Trade at the Technology Mission 2018

22 - 25 October 2018, Singapore & Kuala Lumpur

The UK's Department for International Trade invites you to register interest for the Technology Missions to Singapore and Malaysia from 22 – 25 October 2018. During the missions you will be able to meet and network with local companies and commercial officers within the Technology sector while also learning about upcoming opportunities to export your product.

From 22 – 23 October up to 50 UK companies will take part in a mission to Singapore with a series of events aimed at promoting the UK's capabilities within Cyber Security, Smart Cities and Health Tech sectors.

The mission itinerary will take place at PwC Offices Marina One in Singapore with a series of activities including business matchmaking and themed lunch talks taking place over the course of the two days. There will also be a Tech Mission Evening Networking Reception on the Monday, offering companies the opportunity to network with local companies, commercial officers and potential partners.

A bespoke mission to Kuala Lumpur, Malaysia will take place from 24 (PM) to 25 October. This will be focused on cross industry solutions in the following areas:

- Healthcare
- Education
- Banking
- Oil & Gas /Energy
- Smart Homes
- Smart cities
- F&B
- Retail

The first day will include a market briefing on technology opportunities in Malaysia in partnership with Telekom Malaysia, the national telecommunications company. Day two will consist of a series of pitching sessions to selected key clients of Telekom Malaysia drawn from the above industries, seeking integrated solutions, incorporating IoT, Artificial Intelligence, Big Data Analytics, Cyber Security and Fintech. Applicant companies will be screened by Telekom Malaysia prior to acceptance on the mission.
