CORPORATE PROFILE

Amanah Mutual Berhad

Amanah Mutual Berhad (AMB), a unit trust management company, is in the business of developing, promoting and managing unit trust funds. It is a wholly-owned subsidiary of Amanah Saham Nasional Berhad (ASNB) while Permodalan Nasional Berhad (PNB) is its ultimate holding company.

Under the flagship of PNB, being one of Malaysia's leading fund managers in terms of assets under management, AMB is positioned strategically to be a commercially driven unit trust manager for the Group. The company is riding on PNB's sound fund management expertise and philosophy and strives to become one of the respectable unit trust management companies in Malaysia and this region. The business focus is to provide opportunity for clients to invest in their performing funds with diversified investments such as in equities, bonds, short-term money market instruments and other capital market instruments.

AMB is committed to deliver performance that goes beyond the unit holders' expectation and this is manifested through winning many of the industry awards. This year, AMB clinched the prestigious Best Bond Group Award at The Edge-Thomson Reuters Lipper Fund Awards for the third consecutive year i.e. 2014, 2015 & 2016. They also won three individual fund awards through AMB Income Trust Fund and AMB Ethical Trust Fund. AMB Income Trust Fund took away the Best Bond Malaysian Ringgit in the 3-year and 5-year consistent return categories, while AMB Ethical Trust Fund won the Best Equity Malaysia Income award in the 10-year consistent return category. One of AMB Shariah funds was also recognized as the Best Malaysia Bond (Shariah) by Morningstar Asia through AMB Dana Arif.

PNB (UK) Limited

The International Fund Management Department of PNB (IFM) was established on 1 July 1988 with the objective of managing the proprietary fund of PNB invested in the global capital market. The international investment is part of PNB's diversification strategy to reduce risks and maximize return. The strategy to invest beyond the Malaysia market enhances the knowledge and expertise of PNB to become a global player in the asset management industry.

As part of the strategy to expand its geographical presence beyond the domestic market, PNB has established global offices in Singapore, London and Tokyo to invest in global markets, including the US, the UK, Germany, France, Japan, South Korea, Singapore and Australia.

PNB (UK) Limited, PNB's second wholly-owned global office, was incorporated on 24 January 2006 in London. PNB (UK) Limited operates as an asset management company alongside other PNB's global offices and is currently managing a portion of the total international investment of PNB with an equity mandate of the world (excluding Asia Pacific) equities. London was chosen because of its status as one of the most developed capital markets in the world as well as its time zone which is central between Asia and America.

SPEAKER'S PROFILE

Ms. S. Halim

Ms. Halim is the Chief Executive Officer of Amanah Mutual Berhad (AMB). AMB is a wholly-owned subsidiary of Amanah Saham Nasional Berhad (ASNB) and Permodalan Nasional Berhad (PNB) is the ultimate holding company, currently the largest fund management group in Malaysia with Asset Under Management (AUM) of more than MYR 250 billion.

She is responsible in charting out a clear and successful business plans and strategies to bring AMB to greater heights. Under her leadership since March 2008, AMB's flagship funds received awards from reputable independent international mutual funds rating agencies namely The Edge-Lipper Award and Morningstar Award for achieving commendable performance.

Prior to joining AMB, Ms Halim worked for a joint-venture asset management company between Allianz Global Investors and CMS Trust Berhad as the Executive Director and Acting Chief Executive Officer of CMS Trust Management. She also had the opportunity to serve Towry Law International as a Director of Fund Management Malaysia that further gave her valuable insights of these businesses in international perspective.

At the beginning of her career, she was a senior staff in Investment Division for Malaysia's MNRB Holdings Berhad and PFM Capital of which both are the subsidiaries of PNB. A dean's list graduate, she holds a Bachelor of Science Degree in Mathematics & Statistics from the Western University, London, Ontario, Canada. In 2012, she received an achievement award from a prestigious body, APEA, Enterprise Asia for the "Most Promising Entrepreneurship Award – Malaysia" in financial service sector.
