Invitation

The Department for International Trade (UK) and Ministry of Industry and Trade (Vietnam) have the pleasure of inviting you to the 10th UK-Vietnam Joint Economic and Trade Committee and Business Forum in Manchester, at the heart of the UK's Northern Powerhouse.

The JETCO will be co-hosted by Minister of State for Trade Policy, the Rt Hon Greg Hands, and Vice Minister for Industry and Trade, Mr Huang Quoc Vuong.

Over 3,000 UK businesses are already successfully engaged in the Vietnamese market. This is an opportunity to engage with high-level contacts from the UK and Vietnamese Government, and network with other businesses and benefit from their experience in exporting to the market.
