EPCM Myanmar Company Limited

An emerging company with the great track record of supplying proven superior products and solutions, in the field of Engineering, Procurement and Construction; we are very enthusiastic to offer high quality of work and material to our client. Our fundamental business strategy is providing full turn-key solutions along with quality technologies and products at right time and place to our esteemed customers.

We have worked with global brand such as NEC Asia pacific pte.ltd, Precious automotive (BMW car showroom), ANZ bank, OCBC bank etc. and you can assure the quality of our work. We are on the verge of attaining QMS ISO 9001:2015 certified in near future.

We continue to strive for business excellence through total commitment to Quality and Close client Relationship. Within 3 years from 2013-2016, We've had turnover of 12.5 millions USD which is great numbers considering, we founded our company in 2012.

I encourage you to contact us to learn more about the services we offer and our challenging career opportunities. On behalf of my team, thank you for taking the time to learn more about us.
