

EY Company Profile

We have more than 230,000 professionals in more than 150 countries worldwide and we will leverage on our cross-functional teams to provide specific solutions to address your requirements

EY Advisory is a diverse team of more than 48,000 consultants and industry professionals across 150 countries with a global mind-set and a collaborative culture. We work across all the major industry sectors to ask better questions in the pursuit of making our clients' businesses work better. Our collaborative approach, combined with our global connectivity and understanding of industry issues, inspires us to ask better questions, design better answers and realize long-lasting results.

EY is committed to doing its part in building a better working world. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

- ▶ **Market leadership:** Increased analytics thought leadership, wealth of insights and availability of industry resources.
- ▶ **People:** Best team to serve, from a dedicated team in Malaysia to a global team that we can mobilise from around the world.
- ▶ **Quality:** Uniform and consistent high quality advisory methodology worldwide. This helps to minimise costs and potential risks to you.
